

CITY-WIDE COVID-19 RESOURCES ★

HEALTH

Vaccines

COVID-19 vaccines are available free of charge to all Chicagoans 12+. Learn more here: <https://www.chicago.gov/city/en/sites/covid19-vaccine/home.html>

Health Centers

Health centers can provide services, including COVID-19 screening and testing, regardless of a patients' ability to pay and charge for services on a sliding fee scale. However, please note many school-based health centers may not be operating because of school closings and local mandates. <https://findahealthcenter.hrsa.gov/>

COVID-19 Testing

To find a Chicago community-based testing site visit: <https://www.chicago.gov/city/en/sites/covid-19/home/testing.html>

Schedule an appointment by visiting [ChicagoCovidTesting.com](https://www.chicago.gov/city/en/sites/covid-19/home/testing.html) or call **312-746-4835**.

To find a State of Illinois Community-Based Testing site visit: <http://www.dph.illinois.gov/testing>

If you are uninsured or do not have a state-issued identification card, you can still receive a free COVID-19 test at a City or State testing site.

Have other questions about COVID-19? Get in touch in one of three ways:

- Call the COVID-19 hotline at **312-746-4835** Monday through Friday during business hours
- **311** during evenings, weekends, and holidays
- Email coronavirus@chicago.gov

Find a Flu Shot

The flu vaccine is safe, effective, and offered in many doctor's offices, pharmacies, as well as by many employers and schools. If you don't have a regular doctor, locate a community health center or visit any of the City of Chicago community flu clinics. No one will be turned away for inability to pay. <https://www.chicago.gov/city/en/sites/flu/home/vaccine-finder.html>

Mental Health

Chicago Public Health Department mental health centers (MHCs) provide supports for emotional, traumatic, or behavioral difficulties. Clinics are open Mon - Fri: 8:30 am - 4:30 pm.
